Dear Union Members,

We would like to express our gratitude to each one of you for attending last night's crucial ratification meeting. Your presence and active participation are testaments to the strength and unity of our union.

We acknowledge and understand the frustrations expressed during the meeting. It's deeply disheartening how the government fails to recognize the invaluable contributions of our roles. Rest assured, as we return to the negotiation table, we stand committed to fighting for each one of you.

Last night's final vote results, with 159 in favor and 90 against, reflect our collective determination to pursue fair treatment and just compensation. Your overwhelming support strengthens our resolve to advocate tirelessly on your behalf.

In the face of adversity, let us stand together in solidarity, united in our pursuit of a livable wage and the respect we rightfully deserve. Your unwavering support during this challenging time is deeply appreciated and serves as a source of inspiration for all of us.

Thank you once again for your dedication, courage, and solidarity. Together, we will continue to strive for a better, more equitable future for all members of our union.

In solidarity,

The Negotiation Committee
