## **BARGAINING UPDATE**

The next round of bargaining for our new Collective Agreement will begin soon. First, we need to gather input from our members. Attached is a brief Mobilizing for Bargaining Survey designed to collect your thoughts and ideas. CUPE is recommending us to go in with items we didn't get last year and Monetary items! It's essential that we demonstrate strong solidarity with the Employer, the Community, and the Government. We need every Union Member's support as we address the upcoming mandated wage increases.

**The survey is quick to complete, and we encourage you to submit your responses as soon as possible, with a deadline of October 4th.**

The Bargaining Committee will review the feedback and start planning our community outreach. Your voice is crucial!

The Bargaining Committee will meet to draft proposals for this round of negotiations. Afterward, we will hold a special meeting for all members to ratify what we'll present to the Employer. We'll announce the date for this meeting soon. This is your chance to express your priorities through the survey. The meeting will cover your input and address any questions about the process.

Please make sure to complete the survey.
