**October 7, 2024**

Good morning,

We are heading into negotiations soon. It was stated in a previous letter that CUPE is recommending us to go in with items we didn't get last year and monetary items only. We understand that monetary is our biggest concern! We need more money to keep up with inflation!

We will be presenting on October 15 at 4:30 at LCI the new proposal package.

We hope to see you there.

In solidarity,
